

2016 Champ

Unit 503

Unit 503 / Unit 507 2017 Challenge

Unit 503 / Unit 507 are ready to hold their 2nd annual inter-Unit Challenge!

This Friendly competition will be held at the 503 Bridge Center in Mountain View

This is a 1 day, 2-session Pairs game on Saturday Oct 7th starting at 10am.

You and/or your partner may belong to any bridge club but for this event you must sign up to represent either Unit 503 or Unit 507.

Lunch will be provided half way through the double session.

We will fine tune the stratifications based on signups as we get closer to the event. There will be several areas where a unit can win (one being highest Unit patronage). The unit winning the most areas will be declared the 2017 winner with a plaque they may hang at their club.
